pastors and church leaders are in need of mature godly elders to ensure church health but the training of elders is often entirely missing or badly neglected what if there were a process to proactively call and train elders the new elder s handbook is designed to equip elders with the knowledge character and skills the office calls for it takes church leaders through the development of a vision for ministry recruitment of elders to carry out that vision and specific biblical training providing a way to be intentional about developing elders

a handbook for direction and growth has 200 bible readings prayers personal diary pages and devotions

servants in charge is a training guide for elders and deacons with a study guide included servants in charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders and for servants who find themselves in charge there are guidelines toward effective and fruitful ministry have you ever been in an office or a place of business when someone walked in and asked who s in charge here can it be that the people who enter your church ask the

same question but it is important to realize the answer is not a mystery in a beautiful parable about his second coming Jesus made it clear that his servants are in charge these people are known not so much for their position or power but for their attitude of true servant hood in servants in charge we find that Dr Bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis he also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the new testament he completes this short study with a guide for preparation for them and their election and consecration a great must have for the church today

serving your church as an elder is an important task but it can seem daunting whether you're a first timer or have years of experience the elder's handbook a revised and updated version of guiding God's people in a changing world will help you carry out your ministry with compassion grace and effectiveness in this book you'll learn how to minister sensitively to your parishioners including those who are ill grieving or in trouble how to work with your church council and consistory how to make home visits comfortable and meaningful how to deal with conflict effectively and much more
